The pistol grip stock is squared. The jagged rocker bears the inscription Wyatt Earp. The chrome steel barrels are tanned, the dogs can be operated together in a simple and safe way.

Thanks to all these details, the Wyatt Earp rifle is the ideal weapon for hunting and for better performances in Cowboy Action Shooting competitions. This rifle is also suitable for hunting small game (birds).

Wyatt Earp (1848-1929) was one of the most famous figures of the Western era, notably because of the OK Corral shooting in Tombstone Arizona (October 26, 1881).
