The FNX .45 offers a double action/single action mode & benefits from significantly improved ergonomics.

All of its manual safety/decocking levers, as well as the bolt catch lever and magazine catch, are fully ambidextrous, facilitating smooth use with both hands, whatever the firing angle.

- Forged and cold hammered, military grade stainless steel barrel
- Stainless steel slide
- Front/back apprehension streaks
- Polymer frame with interchangeable steel frame/slide rails
- Picatinny rail
- Double and Single Action Operation
- Ambidextrous controls

1. Double Action/Single Action Performance:

- Benefit from double action/single action operation providing optimal flexibility.

2. Ambidextrous Controls:

- Ambidextrous controls ensure smooth handling in any situation.

3. Impressive Capacity:

- 2 Magazine of 15 cartridges in .45 ACP caliber, ensuring formidable firepower.

4. World Class Cannons:

- Military grade barrels made from cold hammer forged stainless steel, ensuring exceptional durability.

5. Robust Slide Design:

- Stainless steel slide for unmatched reliability.
- External extractor and loaded chamber indicator for increased safety.
- Front and rear cocking serrations for easy handling.

6. Powerful Charger:

- Polished body, low friction pusher and polymer base, ensuring smooth and reliable loading.

7. Versatile Carcass:

- Polymer construction with replaceable steel receiver and slide rails, providing adaptive ruggedness.
- Two interchangeable handle backs with lanyard attachment eyelets, allowing for optimal customization.
- Accessory mounting rail for easy tactical adaptation.

8. Intuitive Operating Controls:

- Fully ambidextrous decocking/safety levers, bolt catch lever and magazine catch, ensuring easy use in all conditions.

The FNXTM .45 embodies the perfect fusion of versatility, power and reliability. Embrace excellence with this pistol designed to meet the expectations of the most demanding shooters.
