## Compact and reliable 3V button cell battery for Canicom and EYENIMAL accessories.

The **NUM'AXES CR2032 lithium battery** provides a stable 3V power supply for compact accessories. Compatible with the brand's **light-up collars, remote controls, and smart feeders** .

- **Technology:** lithium
- **Voltage:** 3V
- **Capacity:** 210-220 mAh
- **Equivalencies:** CR2032, DL2032
- **Packaging:** blister pack containing 1 battery
- **Compatibility:** Canicom Soft, EYENIMAL Light Collars, Pet Bowl XL

### A discreet but essential battery

The **NUM'AXES CR2032 lithium** is a compact button cell battery delivering a **voltage of 3 volts** with a capacity of **210 to 220 mAh** . It is designed to power devices requiring low power but stable battery life, such as **EYENIMAL smart accessories** or **compact remote controls** .

### Compatible with several products from the brand

It is used in:

- **Remote controls:** Canicom Soft
- **Light-up necklaces:** EYENIMAL Light Collars
- **Smart pet bowls:** EYENIMAL Intelligent Pet Bowl XL

Easy to install, it offers excellent long-term reliability, even with frequent use.

### CR2032 Universal Button Format

This format is a widely used standard in compact electronic devices. **Lithium** technology allows for very slow self-discharge, making it a suitable choice for devices used occasionally or for extended standby time.

### FAQ

**Is the battery compatible with EYENIMAL light-up necklaces?**

Yes, the CR2032 battery is specifically used in EYENIMAL Light Collars.

**Is it a rechargeable battery?**

No, it is a single-use button cell battery using lithium technology.

**What is its lifespan in a Canicom remote control?**

It offers several months of battery life depending on the intensity and frequency of use.
