A fun crossbow designed for recreational shooting.

Ideal for beginners in **recreational shooting** , this compact crossbow offers a feel similar to a traditional model, in a safe format with **suction cup darts** . Its intuitive handling and small size are immediately appealing, perfectly suited to young users... but fun enough to attract adults as well.

Submersible pump loading system

The **pump-action system** adds a truly dynamic dimension. Each movement chambers the next dart, allowing for up to **three consecutive shots** . In practice, this enables continuous target practice without constant reloading, making the experience smoother and more engaging.

Fiber optic aiming and accuracy up to 9 meters

Equipped with **fiber optic sights** , it facilitates quick target alignment. Its range of over **9 meters** allows for setting up a shooting range in a garden, garage, or suitable room. The suction cup darts ensure effective adhesion on smooth surfaces, while minimizing the risk of injury.

Package contents

- **Projectile type:** Safety suction cup darts
- **Number of projectiles:** 6 included
- **Target:** Training target provided
- **Color:** Tactical green finish

A product tailored to the B2B leisure network

Positioned in the **safe shooting toy** segment, it is an attractive option for **outdoor leisure** , **gift** , or **shooting initiation** sections. Its modern design, inspired by sporting crossbows, enhances its appeal on the shelf, while respecting toy safety standards.
