### **Replica of the M1 carbine, produced by Springfield Armory during the Second World War.**

High-quality Springfield M1 rifle replica is CO2 fueled and has a realistic backfire effect.

The upper receiver is metal, the shaft is smooth solid wood. The rear sights are adjustable. The replica is available in caliber 4.5mm BB and caliber 6mm BB.

The M1 carbine is an American self-loading rifle introduced during World War II and used by the United States military until the 1970s. Other armed forces and police forces still use it today.

- Full real wood occupancy
- Metal top receiver
- Aluminum hood
- Original markings
- Realistic backfire effect
- Sling holder on the front end and socket for slings integrated into the butt
- CO2 cartridge in the magazine (tool incl.)
