**The NORMA Whitetail ammunition line is loaded with the highest quality brass that meets and exceeds the standards set by reloaders.**

The NORMA Whitetail features NORMA's famous high-quality brass cases that allow the shooter to maximize their investment in NORMA ammunition. The cases are well known for their superior consistency and ease of reloading, thanks to the perfect blend of high quality copper and zinc, as well as a long heritage of in-house developed manufacturing techniques.

### Soft Point Warhead

NORMA's Soft Point is a popular classic among deer and big game hunters worldwide. It features a flat base bullet that delivers consistent accuracy every time. The exposed lead tip, combined with a rapidly expanding lead core, produces rapid knockdown and deep penetration performance, delivering its full energy into vital organs.
