Pests don't stand a chance against the CCI® Gamepoint®.

Its dimpled hollow tip allows the bullet to expand like a big game bullet for maximum energy transfer.

Gamepoint cartridges are specially designed to offer controlled expansion and deep penetration, ensuring rapid and humane killing of game. Their careful design ensures a precise and consistent trajectory, even over long distances, allowing hunters to take confident and precise shots.

Whether you're looking for a cartridge for big game or small game hunting, CCI's Gamepoint line offers a variety of calibers and loads suited to different types of hunting. With Gamepoint cartridges, every shot is synonymous with reliability, performance and success on the hunting field.
