The handy and lightweight Pedersoli Hawken rifle designed for hunting.

A Hawken model black powder percussion rifle by Davide Pedersoli.

Its robust barrel and small dimensions make it an ideal companion for hunting. The double trigger with Stecher and the adjustable rear sight allow optimal precision in all conditions. The stock, made of American walnut, features bright polished brass fittings and patchbox. This rifle is available in a right-handed or left-handed version.

Available in flint or percussion, and in right and left handed versions.
