Controlled expansion and deep penetration to tackle the toughest game.

The Sologne 9.3x62 Nosler Partition is a high-end ammunition designed for hunting big game and massive animals.

- **Caliber:** 9.3x62
- **Ball type:** Nosler Partition
- **Weight:** 285 grains / 18.5 g
- **Packaging:** box of 20 cartridges
- **Partition Technology:** double core in special alloy separated by partition
- **Crimp Locks:** resistance to high pressures for controlled deformation
- **Ideal for:** heavy boar, deer, moose and African game
- **Initial velocity:** 700 m/s
- **Initial energy:** 4525 J
- **Manufacturing:** 100% French

Ammunition designed for big game

The **Nosler Partition**, integrated into the Sologne 9.3x62, is the world reference for premium hunting bullets. Its **dual-core technology**, combined with an internal copper partition, ensures **reliable expansion of the front core** and **deep penetration** thanks to the rear core retaining more than two-thirds of the initial weight.

With a **muzzle energy of 4525 J**, this cartridge is designed for **heavy boar**, **deer**, **moose** or even **large African game**. The **Crimp Locks** guarantee optimal holding of the bullet, even under the extreme pressure of magnum shots.

Speed in m/s

- **V0:** 700
- **V100:** 644
- **V200:** 591

Energy in joules

- **E0:** 4525 J
- **E100:** 3830 J
- **E200:** 3226 J

Made in France, the Sologne 9.3x62 Nosler Partition embodies ballistic excellence for demanding hunters.
