Eagle leather walking shoes with stone guard.

Laforse shoe in full-grain leather and polyamide fabric combines strength, style and comfort. MTD membrane: prevents water from entering and lets evaporate perspiration. Front stone guard for better resistance. Polyamide insole on felt - Rubber outsole with marked relief for better grip.

Description:

The Laforse MTD model in full grain leather and polyamide fabric combines robustness, style and comfort. It is equipped with a MTD membrane to allow the foot to stay dry and evaporate perspiration. Front parépierres for a better resistance. The insole is made of polyamide on felt for comfort. The outsole is rubber with a marked relief for better grip. Upper: protection and resistance Membrane: helps keep feet dry and wicks away Front and rear layers: extra long-lasting resistance

Insole: comfort Notched outsole: grip

Composition:

- Upper: full-grain leather and polyamide
- Membrane: BAT
- Insole: polyamide on foam
- Outsole: rubber
- Mounting: welded

Interview :

- Clean the inside and outside of the shoe with a damp, lint-free cloth.
- Never dry wet shoes near a heat source or in direct sunlight.
- Care of leather with a velvet aspect (leather crust, nubuck): brush the surface with a soft brush in order to remove the dust then apply a waterproofing agent (never use polishing).
- Care of smooth-look leathers: wipe the surface with a soft, damp cloth and apply a small amount of wax-based product to create a protective film on the shoe.
