A simple, reliable and easy-to-carry folding rifle.

Investarm offers a robust and practical **14mm Cal. single-shot folding rifle** , ideal for traditional use and recreational shooting.

- **Caliber:** 14 mm (32 caliber)
- **Type:** single-shot with break-barrel
- **Canon:** 71 cm
- **Extractor:** yes
- **Trigger:** single trigger
- **Weight:** 2.5 kg

A folding rifle designed for simplicity

Designed for **traditional shooting** enthusiasts, this **single-shot rifle** stands out thanks to its simple and effective break-action mechanism. In practice, its intuitive handling is immediately appreciated: opening via the lower lever, insertion of the cartridge, and then a firm and secure lock-up.

71 cm long barrel: precision and stability

Its **71 cm barrel** offers good stability when firing, while also promoting optimal combustion of **14 mm caliber** ammunition. This type of configuration allows for consistent firing, suitable for users seeking control and reliability.

Classic ergonomics and robust construction

Featuring a pistol-grip wooden stock, this weapon boasts traditional ergonomics. Its **2.5 kg** weight contributes to good overall balance. The mechanical extractor facilitates cartridge ejection after firing, ensuring smooth and effortless operation.

Easy transport thanks to the folding system

The folding system is a real asset in the field. Whether for transport or storage, this compact design allows for increased practicality without compromising overall sturdiness.

FAQ

What type of ammunition should be used with this model?

This rifle is exclusively compatible with 14 mm caliber cartridges (32 caliber).

Is this model easy to transport?

Yes, its folding system reduces its size, which greatly facilitates transport and storage.

What maintenance is required for this rifle?

Regular cleaning of the barrel and mechanical parts is recommended to ensure the longevity and proper functioning of the weapon.
