The Patriot rifle: precision and robustness

The **Mossberg Patriot** is a **bolt-action rifle** equipped with a **22-inch threaded fluted barrel** , ensuring stability and accuracy. Its **spiral bolt** guarantees a smooth and silent repeat. With its

adjustable trigger (2 to 7 pounds) and its **removable 5+1-round magazine** , it offers great adaptability to demanding hunters. The trigger pull is adjusted by separating the trigger block from the stock (loosen the screws at the front and rear

A versatile RTI red dot

The **RTI Micro-Dot sight** mounts on a Weaver rail and features 7 illumination levels. Compact and lightweight (83g), it facilitates rapid and instinctive aiming in driven hunts, even on fast-moving game. Its technology guarantees a clear image and optimal comfort when shooting.

A comfortable and practical suspender

The **Mossberg sling** included with this pack is padded and adjustable, designed to absorb the weight of the weapon and improve carrying comfort. Its quick-release fasteners allow for simple and efficient installation.

*Choose the **Mossberg Patriot .30-06 Springfield Pack** with red dot and sling, and enjoy a turnkey set, specially designed for driven hunting.*
