It is one of the most performance driven Quick Feed systems on the market. The R2TM Quick Feed arms have magnets co-molded into our proprietary dual density material and features a built-in living hinge system which makes sure that your R2TM Quick Feed always feeds paint in but doesn't let paint out. Installation is quick and simple with the R2TM Quick Feed system. We utilize a highly intuitive quick release lid design that allows for effortless changes between traditional lids and your R2TM Quick Feed. The R2TM Quick Feed system also allows the ability to open the Quick Feed like a traditional lid to gain access to the interior of your hopper. The R2TM Quick Feed system is the ultimate answer for those looking for the best way to reload and stay in the game.

- dual density, co-molded proprietary materials
- co-molded magnet technology
- quick release lid
- 15% larger lid opening than the R1
- R2TM compatible
- DYE authentic replacement part
