Replica of the Fairbairn-Sikes fighting dagger of the English commandos of the Second World War.

Beautiful reproduction of SAS Commando Dagger with leather case with steel end.

Flat steel knob serving as a puzzle. Black metal handle. Double-edged diamond blade.

- Total length 29 cm
- Blade length 18 cm
- Blade thickness 4.5 mm
- Length of the handle 11 cm

The Fairbairn-Sykes fighting knife was created by captains William Ewart Fairbairn and Eric Anthony Sykes, officers in the Shanghai police and then in the British army. This knife is mainly known for its use by British and Commonwealth commandos during the Second World War. With the years it has undergone several modifications. It is still in production today and remains in service in the British special services.
