The **Beretta 686 Silver Pigeon I Caliber 12/76** is a legendary over-and-under shotgun. Built on the 686 platform, it combines ultra-reliable mechanics, perfect balance, and an elegant finish, making it a must-have for hunters and sport shooters.

An exceptional balance

The **Silver Pigeon I** is designed to offer instinctive and fluid aiming. Its low, thin action brings the shooter's eye closer to the barrel axis, improving hand-eye coordination and swing speed. The **Extralight®** buttplate provides comfort and recoil absorption.

High-performance and proven guns

Equipped with cold-hammered and steel-tested **Steelium® Optimabore® HP** barrels, this shotgun guarantees regular, dense patterns perfectly adapted to all ammunition, including high-performance steel. Supplied with **5 interchangeable Optimachoke® HP chokes** , it is suitable for all types of hunting and shooting.

Italian elegance by Beretta

The steel receiver features a **5-axis laser floral engraving** that now extends to the rear and trunnions for a refined finish. The **pistol grip stock and duckbill forend** are crafted from grade 2 walnut with an oiled finish, providing both strength and aesthetic appeal.

Ergonomics and modularity

The stock features the **B-Fast®** system, allowing for personalized adjustment of height, slope, cant and rotation. This system guarantees optimal shooting comfort, adapted to each body shape. The polished stainless steel trigger offers increased durability and perfect responsiveness.

Choose the Beretta 686 Silver Pigeon I and discover an exceptional over-and-under shotgun, designed to last and deliver top-level ballistic performance, whether hunting or at the shooting range.
