A feeling of freshness everyday!

SmellWell Active Odor & Moisture Absorbing Pad is a natural 3-in-1 solution that effectively absorbs moisture, eliminates odors and leaves a long-lasting fresh scent.

SmellWell bags can be reactivated after use. By placing the bags in the sun once a month to “recharge” them, so to speak, they will last about 1 year.

Natural sanitizing pouches that absorb moisture and eliminate odors in your shoes, boots, closets and/or safe. Very easy to use, you just have to put the 2 Smellwells in your things.

The Smellwell 3 in 1 solution:

- Prevents the growth of bacteria by effectively absorbing moisture
- Eliminates bad odors in all environments
- Leaves a long-lasting fresh scent

Lasts up to 1 year. No expiration date on unopened packages.

Areas of use

Can be used in all environments where humidity and odors persist.

Shoes / Bags / Sports gear / Boots / Skates / Safes...

What's inside?

Simple concept - advanced formula

- Inner pocket: non-woven, breathable pocket, allowing moisture to escape from the environment.
- Microfiber Cover: Microfiber outer shell colored with eco-friendly ink.
- Swedish Formula: Contains bamboo and activated charcoal and minerals with absorbent properties. Infused with a fresh scent.

A natural and ecological solution. Complies with environmental and safety standards.

Smellwell is a Swedish company providing inspiring and innovative solutions for people on the move. It offers a natural and effective solution to get rid of moisture and unwanted odors in your belongings.

Smellwell was founded in Sweden in 2014 after a young girl's smelly football boots. After testing all the products on the market with no real effectiveness, Smellwell decided to develop their own solution - A real solution.

This Swedish company's ambition is to keep you confident and keep your shoes and gear fresh and odor-free.
