A compact kit for cleaning handguns, rifles and shotguns.

The **Real Avid Gun Boss Universal Flex Rod Kit** combines all the necessary accessories for routine cleaning of handgun, rifle, and shotgun barrels in a compact case. Its eight phosphor bronze brushes cover calibers from .17 to .45, as well as 20 and 12 gauge. Two cleaning rods, three patch holders, a T-handle, a threaded adapter, and two flexible cables allow for barrel access tailored to the specific firearm being cleaned. A supply of 50 patches completes the kit for removing residue after brushing. The zippered nylon case keeps all the components organized and easy to transport.

A cleaning kit for several types of weapons

The **Real Avid Gun Boss Universal Flex Rod Kit** allows you to maintain the barrels of a wide selection of handguns, rifles, and shotguns. The **phosphor bronze** brushes cover calibers from .17 to .45, as well as 20 and 12 gauge. This combination eliminates the need for multiple cleaning kits for firearms within this range.

Flexible cables adapted for passage through the barrel

The kit combines a cable designed for handguns with a second cable for rifles and shotguns. The T-handle makes them easy to handle. After using the appropriate brush, the patch holders and 50 included patches allow you to continue cleaning the barrel. The firearm must be made safe before any intervention, and the manufacturer's instructions must be followed.

A compact case for storage and transport

The zipped nylon pouch measures 14.5 x 10 x 5 cm and weighs 330 g. This size makes it easy to store the **Real Avid cleaning kit** in a shooting bag, case or maintenance area, while keeping all the tools together.
