XL size, shock-absorbing wave foam and IP67 waterproofing for your long-range replicas.

The **NUPROL XL Waterproof case** ensures secure transport for your long replicas thanks to its **anti-shock** wave foam and its reinforced structure, which is dustproof and waterproof.

- **Colors:** Black (MAL739), OD Green (MAL740), Grey (MAL741), Tan (MAL742)
- **Waterproofing certification:** IP67
- **Internal dimensions:** 130 x 32 x 12.5 cm
- **Foam: shock-absorbing** wave across the entire surface
- **Closures:** 6 secure latches
- **Security:** 2 padlock slots
- **Mobility:** integrated wheels + side handle
- **Transport:** ergonomic top handle
- **Valve:** automatic decompression button

A large-format case for long-range replicas

The **NUPROL XL Waterproof 137 cm** is ideal for **sniper rifles, DMRs, or long replicas with optics** . Its generous interior space allows for transport without disassembly, and the **shock-absorbing wave foam** dampens vibrations while securely holding the equipment.

Shock-absorbing wave foam: simplicity and effectiveness

Unlike pre-cut foam, this case features **egg-shaped foam** , designed to **absorb impacts** and **protect your replica** without the need for adjustments. Ideal for users seeking a quick and reliable solution.

Waterproof protection and secure locking

The IP67 waterproof casing ensures resistance to water and dust, even in harsh conditions. With its **6 robust latches** and **2 padlock slots** , the security of the contents is enhanced for ground or air transport.

Enhanced mobility and maneuverability

Despite its generous size, the case remains easy to move thanks to its **sturdy integrated wheels** and **side handle** . An ergonomic top handle also allows for quick and stable vertical transport.

- **Usable dimensions:** 130 x 32 x 12.5 cm
- **Foam provided: shock-absorbing** wave foam, not pre-cut
- **Closures:** 6 latches + 2 padlock points
- **Mobility:** wheels + side handle + fixed handle
- **Compatibility:** rifles, long guns, sensitive equipment
- **Colors:** Black, OD, Gray, Tan

FAQ

Is the foam pre-cut to fit the shape of a replica?

No, this case is equipped with a wave-shaped **anti-shock** foam designed to absorb shocks without requiring any cutting.

Is it suitable for transporting a rifle with a scope mounted?

Yes, the usable height of 12.5 cm allows for the storage of a long gun with standard optics installed.

Is it approved for use in an aircraft hold?

Yes, thanks to the pressure relief valve and padlock slots, it meets air transport requirements.
