- **Foam:** uncut, honeycomb wave
- **Recommended use:** transporting short replicas only

FAQ

Can I transport a long replica in it?

No, this case is designed for compact replicas. For standard rifles, choose a 123 or 138 cm version.

Is the foam customizable?

It is not pre-cut, but can be manually cut to fit your configuration.

Is it suitable for air transport?

This case is not certified for safe aviation use. For that purpose, choose IP67 models with lockable latches.
