The **Beretta Bellmonte I caliber 12/76** is an inertial semi-automatic shotgun renowned for its reliability and ease of use. Featuring a rotating bolt and a proven inertial system, it reduces the feeling of recoil and ensures smooth and accurate shooting.

A reliable inertial mechanism

The **Bellmonte I** uses a robust inertial system, effectively reducing recoil and ensuring smooth action. Its rotating bolt secures the slide and barrel, enhancing safety and accuracy.

Carefully designed ergonomics

The **grade 1 walnut** stock and fore-end feature careful checkering for a firm and comfortable grip. The **MicroCell Soft Plus** buttplate improves recoil absorption, allowing for a fast and comfortable shot. The fiber optic front sight ensures intuitive target acquisition.

Versatility and performance

This semi-automatic shotgun is designed to accept all 12 gauge cartridges (except 89 mm), from 12/70 to 12/76 Magnum cartridges. Supplied with **3 interchangeable Mobilchoke chokes** (*/***/****), it adapts to many hunting modes, whether in the plains, in the woods or on waterfowl.

A practical and reliable rifle

The **Beretta Bellmonte I** is easy to disassemble and clean. Its sleek design allows for quick and instinctive aiming, perfectly suited to reflex shooting. Its 76 mm chamber and steel shot proofing make it a versatile, modern, and durable weapon.

Choose the Beretta Bellmonte I 12/76 with a 71 or 76 cm barrel and enjoy an elegant, reliable and comfortable inertial semi-automatic for all your hunting trips.
