The **Chiappa 1886 Lever Action Wildlands .45-70 Govt** is a lever-action rifle designed for hunters looking for a reliable, robust and ergonomic weapon in all situations. Combining the authenticity of traditional lever-action rifles with modern features, it stands out as a versatile and reliable weapon for big game hunting.

A versatile and secure lever-action rifle

Valued for their **safety** , lever-action rifles like the Wildlands allow you to move with **the chamber empty** and cock the weapon in a single movement. Unloading is just as simple and quick, making this weapon ideal for hunting or stalking.

Compact, robust and modern

With its **470mm 5/8x24 threaded barrel** , it can be fitted with a muzzle brake or a suppressor, increasing its versatility. Its **Cerakote Dark Grey** finish ensures optimal resistance to harsh weather conditions, while its **laminated wood** reinforces its strength and longevity.

Fast and instinctive aiming

The **fixed fiber optic** combined with a **Skinner Peep sight** provides fast and accurate target acquisition, ideal for shooting on the move. The simple trigger and ergonomic lever ensure smooth and efficient shooting.

With its **3+1 shot** capacity, its low weight of 4 kg and its modern design, the **Chiappa 1886 Wildlands** is the ideal weapon for passionate hunters looking for a lever-action rifle combining tradition, reliability and modernity.
