An iconic piece of American history

This model is directly inspired by the famous **Philadelphia Derringer** , known for its compact size and elegance. It is also associated with a significant historical event: the assassination of President Abraham Lincoln in 1865, which contributed to its worldwide renown. Here we find a faithful reproduction of an iconic 19th-century pistol, prized as much for its history as for its aesthetics.

Ultra-compact size and maneuverability

At only **160 mm long** and lightweight, this pistol offers an intuitive grip. It's exactly the kind of piece that one handles with care, both for its balance and its historical significance.

Traditional percussion mechanism

The **percussion** system faithfully reproduces the mechanisms of the period. Simple, reliable and immersive, it allows you to rediscover the authentic sensations of **black powder shooting** .

Impeccable finish and authentic details

The **bronzed parts** combined with the **brass trigger guard** add an elegant aesthetic touch. PEDERSOLI worked from preserved historical models, guaranteeing a high level of fidelity down to the smallest detail.

A piece for enthusiasts and collectors

More than just a reproduction, this Derringer is a true **collector** 's item. It will naturally find its place in a display case or during historical shooting sessions, where every handling evokes a bygone era.

FAQ
