For light and precise loads!

Ogives high speed

- Copper lead ball with extra layer of plastic
  avoids bursting and deposits of lead
  for all charges and weapons, also suitable for rifle charges

Ogives wad cutter

- The alliance of a good tense trajectory and a perfect cut of the target.

The sporting success is conditioned by a maximum quality and precision. The H & N warheads combine these two strengths thanks to the successful combination of artisanal dexterity and the most modern production technologies.
