- **Initial energy:** 2909 J
- **Manufacturing:** 100% French
- **Packaging:** Box of 20 cartridges

The ideal cartridge for forest hunts

The Sologne Klassic in .375 Winchester caliber, equipped with the **Sierra Pro Hunter JSP Flat Point** bullet, offers **regular expansion** and **reliable penetration** on medium to heavy game. Its flat point guarantees **immediate energy transfer** , reducing the flight distance after impact.

Particularly suited to **driven rifles** , this ammunition ensures remarkable **terminal power** while maintaining excellent precision at common hunting distances in wooded areas.

Speed in m/s

- **V0:** 670
- **V100:** 552
- **V200:** 450

Energy in joules

- **E0:** 2909 J
- **E100:** 1975 J
- **E200:** 1312 J

Made in France, this cartridge meets the expectations of hunters looking for a **balance between power and precision** for driven hunts or in the forest.
