An affordable tribute to the Colt 1911

The **Galaxy G13** is faithfully inspired by the famous **Colt 1911** , an iconic pistol of 20th-century armed forces. With its wood-effect grip and matte black finish, it appeals as much for its looks as for its ease of use.

Metal frame and textured handle

The **metal construction** ensures good resistance to handling, while maintaining a reasonable weight of **500 g** . The ribbed stock offers **excellent grip** even in dynamic conditions.

Maintenance-free performance spring

The spring mechanism delivers approximately **0.5 joules** of power, sufficient for **training sessions** or **target shooting** . The absence of blowback simplifies its use and increases its lifespan.

Fixed hop-up for shooting stability

The **integrated hop-up** contributes to a consistent trajectory, especially with **0.12g or 0.15g** BBs. An ideal solution for short-range recreational use.
