PR9010	GALAXY airsoft gun G22 M9 Full metal	Vente libre	6 mm airsoft	10	270	Spring	18.00 € incl. tax

A robust and realistic full metal spring replica inspired by the M9.

Inspired by the famous **Beretta M9** , this **GALAXY G22** spring-powered replica stands out for its full metal construction and excellent value for money.

- **Caliber:** 6 mm BB
- **System:** Spring (manual)
- **Capacity:** 12 marbles
- **Power:** 0.5 joules
- **Materials:** Full metal
- **Weight:** 700 g
- **Length:** 215 mm

A faithful replica of the M9, spring version

The **Galaxy G22** is inspired by the **Beretta M9** , an iconic pistol adopted by numerous armies worldwide. With its **full metal** construction, it offers a realistic grip and good durability, ideal for training or casual airsoft games.

Full metal : solid and realistic feel

The body and slide are made entirely of **metal** , resulting in a well-distributed weight of **700g** . The result: an authentic feel and improved resistance to frequent handling.

Manual spring : simple, reliable and economical

The spring-loaded mechanism operates **on a single-shot basis** : simply cock the slide manually before each shot. No gas, no battery - an ideal format for **beginners** or **target shooting** .

Precision and compatibility

Thanks to its **high-quality barrel** , the trajectory remains stable at short range. This replica is **compatible with most M9 holsters and accessories** , making it easy to integrate into your setup.

Secondary specifications

- **Firing mode:** Single shot
- **Blowback:** No
- **Recommended marbles:** 0.20 g
- **Hop-up:** Not specified

- **Color:** Black with wood-effect panels

FAQ

Is the replica compatible with M9 holsters?

Yes, the Galaxy G22 has the same dimensions as the standard M9 and is compatible with most dedicated holsters.

Is it suitable for airsoft beginners?

Yes, its simple spring operation and good handling make it a relevant choice for beginners.

Can it be used indoors?

Absolutely. Its moderate power of 0.5 J is perfectly suited for indoor or CQB sessions.
