## Maintenance of weapon wood and full grain leather.

150 ml aerosol of wax designed for your rifle and rifle stocks as well as your smooth leather articles.

Wax intended for the maintenance of the wooden parts of the weapon and the articles in "full grain" smooth leather (case, cartridge belt, bags...). Provides long-lasting shine and provides protection against moisture and wear. Particularly easy to use and apply, very pleasant smell. Directions for use: After spraying, let the wax dry for a few minutes and wait for it to appear dry. Then polish with a very soft cloth (wool) to make shine; the result obtained is perfect, "sparkling".
