Professional and ingenious quality press for disassembling and reassembling handgun sights

- Fine and simple adjustment of your dovetail mounted sights
- Protection of the slide, rear and handlebars against scratches or unwanted markings
- Compatible with most modern guns

The Master Sight Pusher is a professional quality tool that allows you to change quickly gun sights and sights while protecting slides and sights themselves.

- Rugged, built to last and smartly designed to perform on most modern pistol sights.
- The ergonomic oversized Easy Torque ™ grip combines with extra-fine drive threads to provide maximum torque with minimal effort when removing or installing sights.
- The universal press block features multiple contact surfaces for almost any size and style of dovetail slot and sighting profiles.
- Adjustable non-marking contact surfaces firmly hold the 1911 and flat bottom pistol slide models.
