https://europarm.fr/en/produit-15675-GSG-STG44-curved-magazine-25-rounds-9mm-PAK

SKU	Designation	French Law	Caliber	MSRP
ACP676C	STG 44 magazine	C	9 mm PAK	72.00 € incl. tax

Curved steel 25-round magazine for GSG STG44 replica.

Curved steel magazine for the **GSG STG44** in **9mm PAK** . An aesthetically pleasing alternative to the straight magazine for added style when firing blanks.

- **Capacity:** 25 shots
- **Caliber:** 9 mm PAK (signal gas)
- **Compatibility: GSG STG44** only
- **Shape:** curved (not faithful to the original)
- **Material:** Stamped steel
- **Category:** C-12° - medical certificate required

A curved charger for a touch of style

This **25-round 9mm PAK** magazine gives your **GSG STG44** replica a distinctive look. Unlike the original straight magazine, this model features a **curved** shape, inspired by other historical rifles, for a more aggressive and contemporary style. It offers the same perfect compatibility and reliability as the original magazine.

Designed for endurance and realism

Made from **stamped steel** , this magazine is built to withstand heavy use. It fits precisely into the **STG44** replica, ensuring **smooth feeding** of blank cartridges. It is ideal for fans of **dynamic shooting** , **reenactment scenes** , or collectors looking for a unique accessory.

Secondary specifications

- **Length:** approximately 22 cm
- **Weight:** approximately 350 g
- **Mechanism:** spring-loaded, semi-automatic feed
- **Finish:** military-style satin black
- **Replica type: GSG STG44** blank-firing only

FAQ

Is this charger historically faithful to the STG44?

No, the original version of the **STG44** used a straight magazine. This curved model offers a more modern, alternative style, though it is not historically accurate.

What regulations apply to this charger?

Since January 2025, blank-firing magazines have been classified in **category C-12°** . Purchase is restricted to adults upon presentation of a **medical certificate less than one month old** .

Is this magazine compatible with other GSG replicas?

No, this curved magazine is designed only for the **GSG STG44** in 9mm PAK caliber. It is not suitable for other models in the GSG range or for other blank-firing replicas.
