An additional charger for your intensive training sessions

Whether for firing in rapid succession without reloading or simply for having a spare magazine, this **25-round** magazine is designed for the **GSG MP40** in **9mm PAK caliber** . Its **stamped steel** construction provides excellent **durability** and a realistic feel in the hand. It features the typical long style of period firearms, perfectly consistent with the aesthetics of the MP40 model.

An accessory true to the spirit of the MP40

This magazine replicates the original design and perfectly complements the shooting experience. It inserts easily and ensures **smooth feeding** of blank cartridges. The user will appreciate its **well-balanced weight** , which enhances the realistic handling feel.

Secondary specifications

- **Length:** approximately 20 cm
- **Finish:** matte black, military style
- **Mechanism:** Internal spring for PAK cartridges
- **Replica type:** semi-automatic submachine gun

FAQ

Is this charger compatible with other models?

No, this magazine is designed exclusively for the **GSG MP40** in 9mm PAK. It is not compatible with other replicas or blank-firing weapon models.

Do I need authorization to buy this charger?

No, this charger belongs to **category C12°** : its sale is unrestricted to adults upon presentation of a medical certificate dated less than 1 month ago.

How many chargers can you take for a session?

There is no legal limit in France for blank replica magazines, but for practical reasons, 2 to 3 magazines are recommended for a dynamic session.
