Side loading compatible with all revolvers!

Universal primer dispenser for all types of black powder weapons (Rifles, revolvers).

Adjusted mechanics allowing smooth sliding of the primers. Its design promotes primer retention, preventing loss when the dispenser is in an upright position.

Can contain 20 primers.

The TDC dispenser works great with CCI # 10 and Remington # 11 primers.

Some Remington No. 10 primers, due to the variation in their diameter, may get stuck.
