Pair of technical socks with thermoregulation ideal for hunting

PRO HUNTING medium socks in Orange, perfect for use in cold weather

- Medium Thickness
- 3-layer knit: for moisture wicking, long-lasting strength and perfect insulation from the cold
- Sock that adapts completely to the morphology of the foot
- Heel and toe reinforcements
- Softness and comfort of the textile
- Available from size 39 to 46

MONNET, with its extensive experience in thermal products and textiles, offers the most effective, robust, durable and comfortable socks.

The high level of manufacturing has been rewarded by a partnership with the French Alpine and Nordic Skiing Federation.

Designed and manufactured exclusively in France, MONNET draws on its unique and unrivaled expertise to create products that are completely resistant to cold, snow and humidity.

Their experience in the high mountain and skiing environment has allowed the company to create a large range of socks intended for OUTDOOR activities, such as hunting, trekking, trail running, and hiking.

Composition :

37% Polypropylene: Comfort and quick drying

30% Polyamide: for dimensional stability and good endurance

28% Wool: Soft warmth

5% Elastane: Comfort and fit
