The MONNET company, with its long experience in thermal products and textiles, offers the most efficient, robust, enduring and comfortable socks.

The high degree of manufacturing has been rewarded by a partnership with the French Federation of Alpine Skiing and Nordic Skiing.

Designed and manufactured exclusively in France, MONNET is based on its unique and unparalleled know-how, to imagine products totally resistant to cold, snow and humidity.

Their experience in the world of high mountains and skiing has enabled the company to create a large range of socks intended for OUTDOOR activities, such as hunting, trekking, Trail, hiking.

Composition:

21% Polyamide: for dimensional stability and good endurance

30% Polyester: Breathable fiber for quick drying

4% Elastane: For a second skin effect and optimal fit on the foot

9% Wool: Soft warmth

36% Polypropylene: Comfort and quick drying
