Pair of technical socks for hunting with perfect breathability and thermoregulation.

Ideal for outdoor activities in cold weather with its heat retention.

- Outlast ergonomic terry sole
- Slightly compressive upper for excellent muscle support
- Outlast heel and toe
- Tibia in Climayarn

MONNET draws on its extensive experience in thermal products and textiles to offer the most effective, durable, long-lasting and comfortable socks.

The high level of manufacturing has been rewarded by the establishment of a partnership with the French Alpine and Nordic Skiing Federation.

Designed and manufactured exclusively in France, MONNET draws on its unparalleled technical expertise to develop products that are fully resistant to cold, snow and humidity.

Their experience in the ski industry has allowed the company to create a wide range of socks for all OUTDOOR activities, such as hunting, trekking, trail running and hiking.

Composition :

70% Polyamide: for dimensional stability and good endurance

13% Elastane: For optimal support

11% Polyester: Breathable fiber for quick drying

4% Wool: Thermal comfort

2% Polypropylene: Comfort and quick drying
