Jack Pyke cartridge belt in durable green or camouflaged fabric.

The Jack Pyke Binoculars Harness is a handy accessory allowing for comfortable carry of a pair of binoculars. It is easily adjustable thanks to four slide adjusters and will fit most body types.

Over shoulder design

- 25mm elastic straps
- Full grain leather connecting patch
- Four slide adjusters
- Two quick release clips
- Two connecting rings

Connect your binoculars to both connecting rings and attach them to the harness using quick release clips. This simple, but effective harness allows for a quick reach of the binoculars and the elastic straps allow for quick adjustment. When not in use they will hang attached to the straps leaving your hands free.
