Jack Pyke Ashcombe hunting or post-hunting jacket.

The Jack Pyke Ashcombe Jacket has been designed using Nyco material bonded with a TPU membrane which makes it waterproof (up to 5000mm) and allows easy airflow.

- Drawstrings (hood, waist, hem and sleeves).
- Removable hood concealable inside the collar.
- Two large bellows pockets with snap button flaps
- One top zippered utility or phone pocket.
- Two zippered handwarmer pockets

The ever-changing weather is always a challenge during any outdoor activities. To easily control the temperature we used an elasticated drawcord at the hood, waist and hem with addition of hook and loop adjusters on the hood and sleeves. The hood itself is removable and can be concealed inside the collar making it easy to adjust the garment to your needs. With two large bellows pockets with press studded flaps, upper zipped utility or phone pocket as well as two zipped handwarmer pockets it is packed with smart storage solutions. The Ashcombe Jacket is smart, practical and packed full of features, making it a great choice for many different types of outdoor activities. You can easily complete the look with many other Jack Pyke Ashcombe range products.
