SKU	Designation	French Law	Blade length (cm)	Length (cm)	Weight (g)	MSRP
LC0175	Hourvari spears	D	25.5	147	1340	696.00 € incl. tax

A sturdy and powerful spear to serve game safely.

Driven spear made in France consisting of a dagger with leather sheath and a 120 cm shaft. Double lock of the dagger on the handle.

- Single edged dagger with 6mm blade back and fuller
- Large and sturdy brass hilt
- Weight of the dagger alone: 440 g
- One-piece aluminum shaft 120 cm, diam 32mm, weight 900g.
- Leather sheath for the dagger with locking strap and belt carrying system.

Two locking systems of the dagger on the handle by quarter turn on two screws and notch preventing any unwanted rotation of the knife.

Reliable and safe operation preventing any untimely release of the blade in the game.

- Single-edged dagger with 6 mm blade back and fuller

- Tube length: 120cm
- Tube diameter: 32mm
- Tube weight: 900g

- Leather sheath for the dagger with locking strap and belt carrying system

A spear 100% Made in France

A quality hunting dagger with an excellent edge.

The tapered profile of the blade with its long point, makes it particularly efficient for thrusting blows.

The quality of its cutting edge makes it a suitable dagger for the size.

The thickness of the steels and alloys used for the tube provides great rigidity to the spear which will not bend under the weight of the force exerted.
