Boots designed for the garden and the outdoors.

Outdoor boots handmade in France, practical and comfortable. It is easy to put on and take off and its shock-absorbing rubber sole.

- Mainly natural rubber: resistance and flexibility
- Self-cleaning notched sole: grip and grip
- Softex® lining: washable with a sponge and quick drying

Interview :

Clean the boot after each use with clear or slightly soapy water (Neutral PH). Wipe the boots with a non-fluffy cloth. A few times a year, or more often if you use your boots daily, apply a dose of Swipol to treat the rubber and allow it to return to its original appearance. Keep away from light and

any heat source, in an upright position after cleaning it.
