- Door thickness: 3 mm
- Wall thickness: 2 mm
- Ammo box: no

In the context of possession of category B weapons, it is mandatory to have a safe to keep the weapons in question out of reach of third parties. In general, it is strongly advised to put your weapons, whatever their categories (B, C or D) out of reach of children and possible intruders or thieves by storing them in a safe for weapons. This safe must be fixed to the floor or to the wall.

Handgun cases are delivered to gunsmiths.

No direct delivery to the address of user customers.

For Corsica, a transport package will be required.

All our safes are delivered with a set of concrete anchors and 2 keys.
