Ideal shotgun for wet and swampy environments with its composite butt and fore-end

- Proven stacked steel ball barrels
- Tulip front pistol grip in black composite material
- Shock-absorbing butt plate
- Steel rocker with black finish
- Mono selective trigger
- Extractors
- Comes with 5 interchangeable chokes (Full, 3/4, 1/, 1/4, Cyl)
- Available in two barrel sizes (71 and 76 cm)

A modern and discreet hunting superimposed with its all-black finish.

The composite elements provide great resistance to humidity and saline environments, making the shotgun ideal for hunting game birds and waterfowl.

In addition to its excellent resistance to the elements, the composite elements unlike wood require little maintenance after a long day of hunting.

With COUNTRY guns you will benefit from an inexpensive shotgun, capable of competing with the biggest manufacturers. It will be ideal for the novice hunter looking for his first shotgun on the plains or the experienced hunter wanting a second shotgun.
