#### AMBUSH support arm

- Robust aluminum construction
- Non-slip jaw with soft coating to preserve the wall or window sill.
- 3/8"-16 thread and adapter for 1/4"-20 thread
- Weight: 553g

An innovative shooting support for hunters practicing stalking or post shooting.

For the shooter, it provides excellent support on any type of support (wall, wooden panel, car door window, etc.)

The AMBUSH mount is as easy to install as it is to remove from its mount, with quick and easy adjustments. Its non-slip claw provides effective and safe support on all types of surfaces without damaging them.

It is possible for you during long hours of shift to leave your weapon on the support, ready to use.

The AMBUSH system is ultra resistant. it provides excellent shooting stability and protects the shooter from excessive fatigue.

Initially dedicated to professional use, the KJI shooting supports allowed unparalleled shooting comfort and reduced fatigue for a shooter who had to keep his position for hours.

Offered to hunters and sport shooters, KJI products allow shooting with incredible precision at ever greater distances.
