### A silencer with BRIGHTER C tracer module!

#### Technical data:

- Dimensions: 202x39x46.5mm
- Module space: 73.5mm, diameter 28mm
- Weight (without module): 330g

With its futuristic design inspired by the Kriss Vector, the THOR silencer can accommodate any tracer module with a diameter equal to or less than 28mm. Proposed here with the ACETECH BIFROST M tracer, the combo will allow you to combine aesthetics and efficiency during your games.

The modules will be easy to interchange with a simple rotation of the mouth of the THOR muffler. Designed for quick adaptability, you'll be able to detach the THOR from your barrel with a simple press of the QD button at its base.
