Safe transport every day

Designed to effectively protect a standard rifle, this case offers a reliable solution for transport to the shooting range or hunting trips. Its 122 cm length accommodates most rifles without bulky optics, while keeping the weapon securely in place.

Robust and functional design

The synthetic material used, both inside and out, protects the weapon from scratches, dust, and light moisture. The full-length **zipper** allows for quick access while securing the contents during transport.

Comfortable and adjustable carrying

Depending on the situation, the case can be carried by hand using its two sturdy handles, or over the shoulder via the adjustable strap. This versatility is particularly appreciated during extended trips.

Well-designed extra storage

The zippered front pocket allows you to carry essential accessories: documents, straps, targets, or small maintenance equipment. A simple detail, but always useful in the field.
