A quick mount SAI muzzle brake suppressor

- For 30 caliber
- Machined from steel with black coating
- Full Auto Certified
- Quick Detach (QD) quick mount
- Requires the SAI 4in1 muzzle brake (Ref SAI200)

A robust and efficient silencer specially developed for the AR10 and TLD rifle platforms.

Combined with the SAI proprietary muzzle brake, it allows rapid assembly and disassembly of the weapon. Its design locks it perfectly avoiding any movement or play as the shots are fired.

In addition to the excellent sound reduction it provides, the QL30 significantly reduces the recoil of the weapon as well as the thermal signature, while preserving the accuracy of the weapon.

Tried and tested, this silencer is capable of withstanding everything even in the most difficult conditions.

Small arms industries is a company based in Denmark, with a long and strong experience in silencers for military purposes.

Their products equip many police units and armed forces around the world.
