For clean, streak-free hunting or shooting glasses!

The Ballistol Optik-Reiniger is ideal for residue-free cleaning of optical surfaces and for the preparation of an anti-fog coating.

Removes dust, dirt and fingerprints from binoculars, riflescopes, scopes, visors and more. suitable for both glass and plastic lenses.

The Ballistol optical cleaner in the 30 ml spray bottle was developed in cooperation with Leica Sport Optics and is particularly suitable for high-quality optical devices.

App for accurate view

Rinse off any coarse dirt on the lens beforehand with water.

Carefully remove light soiling with an optical brush or Ballistol compressed gas cleaner.

Then treat stubborn residue such as fingerprints or smudges with the new Ballistol Optical Cleaner: simply spray onto the lens and spread in circles with a special microfiber cloth.

For best results and an anti-fog effect, polish the cleaner with the cloth.
