The JPC jacket is designed to provide the player with the necessary number of pockets and maximum comfort, all in an extremely light and compact vest format.

The front panels have Molle and female Velcro to stick patches on. It also offers 3 AR15 magazine slots with rubber band retention.

The back panel is completely Molle, which allows you to place any compatible accessories or pockets.

The vest is adjustable at the shoulders and at the waist, and can be adjusted to almost any size.

Made of high quality nylon, this jacket is made to last over time.

AIRSOFT use only.
