The ideal compact safe for long guns

The **WALDBERG digital 5-gun** is designed for those seeking a simple, reliable, and compact solution. With its small size and moderate weight, it fits easily into a closet or discreet corner while remaining compliant with regulations for **category B firearms** .

Digital lock with emergency key

This model uses a customizable **electronic code lock** , along with a **backup key** located behind the battery compartment. The **8-point** locking system, activated by the handle, ensures a **secure and reliable closure** .

Integrated ammunition box

The lockable top compartment allows you to store your **ammunition** , handguns, or other sensitive equipment. It is easily accessible and secured with a **separate key** .

- **Usable dimensions of main compartment:** 124 x 34 x 22 cm
- **Interior lining:** grey carpet for weapon protection
- **Accessories:** 3 cleaning rod holders on the door
- **Fixing required:** to the floor or wall (kit provided)

Compliant with legal requirements

This safe is suitable for the **regulated storage** of long guns, particularly **category B** firearms, for civilian or sporting use. It is also recommended for securing **category C and D** firearms, keeping them out of reach of children and intruders.

Fast and convenient delivery

The safe must be ordered directly from your gunsmith. **Delivery is free** in mainland France (excluding Corsica), **to ground floor** only, with the product unopened. A **flat fee of €50** applies to deliveries to Corsica.

FAQ

Is this safe sufficient for weapons with optics?

Yes, but depending on the size of the weapon and optics, this may slightly reduce the maximum number of weapons that can be stored.

Is it compliant for category B weapons?

Yes, this model meets the safety criteria required for the possession of category B weapons.

How is the delivery made?

It is free in mainland France, on the ground floor, without unpacking. A flat fee of €50 applies to Corsica.
