18 long guns in two rows: capacity and security

The **WALDBERG digital 18-gun safe** is designed for users who need ample storage space for their **rifles** , **shotguns** , or **long guns** . Thanks to its double internal rack, it allows for efficient storage on **two levels with 9 slots each** , minimizing bulk while ensuring the stability of the firearms.

Digital lock with handle and emergency key

The locking system relies on a customizable **electronic code lock** , combined with a **backup key** concealed behind the battery compartment. A single handle operates all **8 locking points** for maximum security.

Separate ammunition compartment

A **lockable ammunition box** is integrated into the upper section. It allows for the secure storage of **ammunition** , handguns, or shooting accessories. A **removable 26 cm shelf** can be taken out to accommodate long guns up to 146 cm in length.

- **Usable dimensions of main compartment:** 125 x 53 x 38 cm
- **Maximum storage capacity:** 4 to 6 weapons of 146 cm (without shelf)
- **Interior lining:** scratch-resistant grey carpet
- **Fixing required:** to the floor or wall (kit provided)
