The **Benelli Montefeltro Evo synthetic 12/76 gauge** is a semi-automatic shotgun designed to offer a perfect balance between modernity, reliability and ergonomics. Its robust construction and sleek design make it an ideal choice for the hunter looking for a versatile shotgun, suitable for a wide range of uses.

Simple and reliable mechanics

Equipped with the **Inertia Drive** inertial system, the synthetic Montefeltro Evo ensures constant reliability and simplified maintenance. Its **Easy Loading** and **Easy Locking** loading and closing mechanisms guarantee speed, safety and fluidity with every use.

A modern and ergonomic design

Its **black synthetic stock** and ergonomic technopolymer foregrip ensure a solid and durable grip. The ventilated sight rib and fiber optic front sight allow for rapid target acquisition, for instinctive and accurate shooting.

Benelli AirTouch Technology

The **AirTouch knurling** applied to the stock and foregrip provides **superior grip** , even in wet conditions. Thanks to its micro-sphere texture, it allows natural ventilation of the hand and a **quick**

and comfortable shoulder , guaranteeing efficiency and control during all your hunting trips.

Versatility and ballistic performance

With its 71 cm steel barrel and its **3 interchangeable chokes** , the synthetic Montefeltro Evo adapts easily to different hunting modes, from small game in the plains to waterfowl. Its lightness and perfect balance make it a pleasant weapon to use all day long.

Choose the Benelli Montefeltro Evo synthetic 12/76 and discover a modern, robust semi-automatic shotgun perfectly designed for the passionate hunter.
