The **Benelli Montefeltro Evo wood 12/76 gauge** is a semi-automatic shotgun that combines tradition and modernity. Elegant and ergonomic, it offers remarkable shoulder fluidity and proven reliability thanks to the Benelli mechanical system.

Simple and durable mechanics

Thanks to its **Inertia Drive** system, the **Montefeltro Evo** ensures high reliability and simplified maintenance. This proven mechanism guarantees consistent operation, season after season, in all hunting conditions.

An elegant and ergonomic design

Its **oiled, sanded wood stock** , combined with an ergonomic foregrip, provides a secure and comfortable grip. The shoulder is smooth and natural, ideal for hunting in the plains, woods or waterfowl. The ventilated sight rib and fiber optic front sight facilitate rapid target acquisition.

Benelli AirTouch Technology

The **Benelli AirTouch grid** , present on the grip surfaces, is distinguished by its innovative texture composed of micro-spheres. This design guarantees **optimal grip** , even in wet conditions, while ensuring **natural ventilation of the hand** . The result: superior comfort and **fast, precise shouldering** , a guarantee of efficiency on the field.

Versatility and ballistic performance

Delivered with **3 interchangeable chokes** and proven steel, this shotgun can adapt to different types of hunting and game. Its 71 cm barrel ensures regular and precise shot patterns, guaranteeing high-level ballistic performance.

Choose the Benelli Montefeltro Evo wood 12/76 and enjoy an elegant, reliable and high-performance semi-automatic shotgun, designed to accompany the demanding hunter in all his practices.
